Alexandria, VA 22313-1450

Sir:

We, Peter M. Allred, Neil T. Jessop and Dan E. Fischer, the inventors named in the above-identified patent application, hereby declare: that we are citizens of the United States; that our residences and post office addresses are 3136 West 13680 South, Riverton, Utah 84065; 1190 Reche Canyon Road, Colton, California 92324; and, 1044 South Dimple Dell Road, Sandy, Utah 84093, respectively; that we verily believe we are the original, first, and joint inventors of

the subject matter of the invention or discovery for which a patent is sought and which is described and claimed in the above-identified application; that we have reviewed and understand the contents of the specification of the above-identified application, including the claims, as amended that the subject matter of the amendment dated October 31, 2003 was part of our invention and was invented before the filing of the original, above-identified, patent application; that we have reviewed and understand the contents of the specification of the above-identified application, including the claims, as amended by the amendments referred to above; and that we acknowledge the duty to disclose information which is material to the examination of this application in accordance with Section 1.56(a) of Title 37 of the Code of Federal Regulations.

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful, false statements may jeopardize the validity of the application or any patent issuing thereon.

Signed at Salt Lake City, Utah, this 17th day of March, 2004.
